FUEL

FUEL-001 Fuel - General

Did you know that a full tank of gas reduces the amount of condensation that builds up in your fuel tank? That means a full tank of gas keeps your car running healthier, longer. Fill up today with our premium gasolines.

FUEL-002 Fuel - General

While you're here you might as well save some time and fill it up! You'll get back on the road quickly, and be able to stay on the road longer. Remember, when filling a gas can, please use only approved containers! Thanks for stopping by. We appreciate your business!

FUEL-003 Fuel - Amoco Ultimate

Regardless of what kind of car you're filling up here, you should know that one gasoline, and only one gasoline is refined to be crystal clear. It's been proven to help cars perform better. Amoco Ultimate. So, for more performance and less pollution try the clear choice. Amoco Ultimate at BP.

FUEL-004 Fuel - Chevron with Techron

Lower emissions, higher performance, and a cleaner engine - that's what you get when you use Chevron with Techron fuel. No matter what the age of your car is...you can rest assured you're giving it the best gasoline possible.

FUEL-005 Fuel - Chevron with Techron

Feeding your body healthy food is essential for living life to its fullest. It's no different for your vehicle. When you feed your vehicle with Chevron with Techron fuel you're giving it the Techron advantage! And that means lower emissions, higher performance, a cleaner engine, and a longer life.

FUEL-006 Fuel - Additives

Does your vehicle sometimes knock under the hood as if it expects you to answer? Don't worry - we're pretty sure it's not possessed. And we're also pretty sure you can exorcise that little car demon with an octane boost additive. Add some today and put that little demon to rest.

FUEL-007 Fuel - Additives

Octane Performance Booster, Gas treatment, Lead Substitute, no it's not cures for medical problems we're referring to here. They're solutions to helping your vehicle run better, last longer, and be more fuel efficient. Pick up some of our products today and give your vehicle the kind of maintenance it deserves.

FUEL-008 Fuel - Top Quality Fuels

(SOFTLY): Pssssst...psssst. HEY - you there at the pump. Quit lookin' around - I see ya. I see ya reaching for that low grade gasoline. (shouting) - OK, STOP RIGHT THERE! Here's a secret. That higher grade of fuel right next to the one you're looking at? It'll make your car run like an athlete. Pssst...gotta go now.

FUEL-009 Fuel - Top Quality Fuels

Peak performance. No, we're not talking about the athletic industry here. We're talking about fueling your car with premium gasoline. Top quality gas helps your vehicle perform at its best with the lowest possible emissions. So "FILL-er up" with premium grade gasoline. And your vehicle will drive like a champion.

FUEL-010 Fuel - Sunoco Gasoline

Sunoco (the only American Gas Company) is the official fuel of NASCAR. SAFETY

SAFE-001 Safety - No Smoking

It seems you have nothing to do while you're filling up, so it naturally seems like a good time for a smoke. DON'T DO IT. Just one small mistake could spell disaster. Thank you.

SAFE-002 Safety - Cell Phones

Some cell phone manufacturers have cautioned to switch off cell phones while pumping gas because of the possibility of igniting fumes. Please turn off your cell phone while fueling. Thank you.

SAFE-003 Safety - Fire

If a fire starts while the pump nozzle is in your vehicle, do not remove the nozzle. Please back away immediately and tell the station attendant. Thank you.

SAFE-004 Safety - Static Electricity

To prevent a fire at the pump, touch the metal on your car with your bare hands BEFORE you use the pump to discharge the static electricity on your body. Thank you.

SAFE-005 Safety - Buckle Up

We hope you have a safe trip and would like to remind you to buckle up when you hit the road again. It's the law. Buckle up and have a great ride!

SAFE-006 Safety - Drive Safe

We want to make sure you arrive safely wherever you are going. You know the rules of the road, so just be smart and drive safe.

SAFE-007 Safety - Don't Drink & Drive

There's nothing more stupid than drinking and driving. Life is important, so please act responsibly. Be smart and do what you know is right. Thank you.

SAFE-042S Safety - Don't Drink & Drive SPANISH

No hay nada mas estúpido que beber y manejar. La vida es tan importante, así es que por favor actúe responsablemente. Pongase vivo y haga lo que usted sabe es la cosa correcta. Muchas gracias.

SAFE-008 Safety - Tire Check

While you're stopped, please check your tire pressure. Pressure that's too low or too high can lead to blowouts. Thank you.

SAFE-009 Safety - School's Out

School is out right now, so kids will be playing in the streets. Please keep a watchful eye and drive safely. Thanks!

SAFE-010 Safety - School's In

School's in, and kids are everywhere. Always slow down while driving near school zones and keep your eyes peeled for kids darting in and out of the bus.

SAFE-028 Safety - Child Alert

It's that time of year again. School busses are running and children may be walking along the side the road. We urge you to use caution in school zones and please keep an eye out for our kids. Thanks in advance for driving safely today.

SAFE-029 Safety - Kaboom!

Ka-boom! Please replace the gasoline nozzle in the pump when you're through. And please remember - turn off your engine and absolutely no smoking while pumping gas. Everyone for at least a mile around will be glad you did. Thank you!

SAFE-030 Safety - Check Air Pressure

Are your tires getting too soft? Well, then it's time to put some air in those tires! With the proper amount of air in your tires you get better gas mileage - which is not only nice for the environment, it's nice for your wallet, too. Keep your car humming along and check your air pressure!

SAFE-031 Safety - No Smoking

Thank you for stopping by. Please remember there's no smoking at the gas pumps or inside the store. For everyone's safety, please observe our request. Thank you for not smoking and stop by again.

SAFE-032 Safety - Pull Forward

When you're finished pumping your gas, please pull forward and park if you're coming inside. This allows us to serve you faster and provide better service for others. Thank you.

SAFE-033 Safety - Drive Safe

We hope your travel today is safe. Be sure to buckle up, pay attention to how you and other motorists drive - and please, NEVER drink and drive. Your safety is our concern because we like you - and want YOU to be our customer for a long time.

SAFE-034 Safety - Replace Nozzle

We'd like to thank you for your business and remind you to return the gasoline nozzle to the pump when you're finished dispensing gasoline. We're counting on you to help keep our costs down. And remember- no smoking while pumping gas.

SAFE-035 Safety - Replace Nozzle

Thank you for stopping by. We know there are many choices and we appreciate your business. Also we'd like to remind you to complete your sale by returning the nozzle to the island dispenser. And please - no smoking around the pumps.

SAFE-036 Safety - Don't Top Off

Click-click! Click-click! The management of this gas station has a friendly request. Please don't top off your gas tank. Those extra clicks of the pump handle mean gas spillage. Topping off the tank is bad for the environment and a waste of fuel.

SAFE-037 Safety - Loss Prevention

It's easy to get in a hurry and forget to pay for your gas purchase. Here's a friendly reminder: Please be sure to pay for your gas before leaving. Sometimes mistakes happen, and we wouldn't want you to get in trouble with the law! Thanks again!

SAFE-038 Safety - Gas Cap

Thank you for stopping by. We appreciate your business. Remember to check and make sure you've replaced the nozzle on its handle - and that your gas cap is securely fastened before pulling away from the pump! Have a great day!

SAFE-040S Safety - No Smoking SPANISH

Aparenta no tener nada que hacer al llenar el tanque de gasolina, así es que naturalmente parece un momento fácil para ponerse a fumar. NO LO HAGA. Tan solo un error chico puede significar un desastre. Muchas gracias.

SAFE-041S Safety - Fire SPANISH

Si empieza un incendio mientras la boquilla de la pompa esta en su vehiculo, no remueva la boquilla. Por favor alejese inmediatamente y digale al asistente de la estacion. Muchas gracias.

SAFE-045 Safety - Drive Offs

Thinking about driving away without paying for that gas? Think again. This property is monitored and we work with law enforcement to prosecute all drive offs.

SAFE-046 Safety - Video Monitoring

Shoplifters and Drive Offs beware! These premises are monitored by video surveillance in cooperation with local law enforcement. We prosecute to the full extent of the law.

SAFE-047 Safety - Smile

Smile! You're on camera! These premises are monitored by video surveillance for your safety and security.

SAFE-048 Safety - Don't Text & Drive

Thanks for stopping by today. And from all of us here, we'd like to remind you, NEVER Text and Drive!!

SAFE-049 Safety - Don't Drink & Drive

Thanks for stopping by today. And from all of us here, we'd like to remind you to NEVER Drink and Drive!!

SAFE-050 Safety - No Smoking

As your friendly, neighborhood one-stop shop, we are dedicated to keeping our customers, our employees and our goods safe. So when you're with us, be sure to extinguish your cigarette or cigar before pumping gas and always return the gas nozzle to the island dispenser. Just remember, safety is always key whether you're on or off the road!
